HONG KONG CHRISTIAN SERVICE

TIN HENG NURSERY SCHOOL

Since 1952, Hong Kong Christian Service (HKCS) has been working towards a humane and just society. We uphold the vision of "Towards a Benevolent and Just Society, Holistic Development for All" and provide early childhood education service for family in Hong Kong over 40 years. We have 9 nursery schools with suitable, professional and quality services genuinely. We merge and apply child developmental theories and different early childhood education findings into the curriculums and programs in order to inspire children's creativity and critical reasoning. We enrich and improve early childhood education that children can be nurture and grow up with the changing society.

1. Mission

- Childhood is a unique and precious stage of our lives. Our mission is to provide our children with a safe, healthy, interesting and interactive environment.
- We respect children's individuality, we will also help children develop their ability of self care and learn how to co-operate with each other while promote their self esteem.
- Through quality services, we offer our children an all-round development.

2. Objectives

- To promote balanced intellectual, physical, emotional and social development of children, encourage their enthusiasm for learning, and establish good habits of daily lives. The purposes of doing so are to prepare them for entering into schools by achieving a balanced growth both physically and emotionally.
- To nurture their artistic senses by organizing enjoyable cultural events.
- To assist working parents in educating and taking care of their children, so that they can have peace of mind when going to work.
- Some corporations also provide child-care services to their staff and their children.

3. Target Service Recipients

Children aged two to six (Medical certificate issued by registered doctor).

4. Curriculums

- Children oriented curriculums and programs designed according to children development, ability and interest.
- Activity approach, Initiate children's self-determining abilities by theme and project study.
- Children make use of their creativity, analyzing ability and adventurous spirits to experience and attain knowledge.

5. Parent-School Cooperation

Parent-school cooperation is the goal of the school. We develop intimate interactions between parents through parents talk, parent representatives meeting, parent-child activities and so on. Parents have in-depth understanding toward children through learning report and portfolio.

6. Professionals

We employ teachers who love children and have been professionally trained for pre-school services.

7. Health Meal

We encourage healthy eating habit and lifestyle. The meals are specifically designed by pediatrician and dietitian to ensure balance nutrition. There are breakfast, lunch, tea and fruit for children everyday from the school kitchen.
